

**GENERAL AGREEMENT FOR ACADEMIC COOPERATION
BETWEEN
THE FACULTY OF MEDICINE CHIANG MAI UNIVERSITY
AND
THE COLLEGE OF MEDICINE DONGGUK UNIVERSITY**

This is a General Agreement for establishment of collaborative academic cooperation between The Faculty of Medicine Chiang Mai University, Thailand and The College of Medicine Dongguk University, Korea.

1. It is hereby agreed that the two institutions shall cooperate on the following.
 - a) Exchange of professors, students and residents through mutual visits
 - b) Exchange of information and publication on education and research
 - c) Implementation of cooperative education and research

2. Implementation
 - a) In order to carry out the above-mentioned activities, detailed plans of the academic cooperation, strategies for the interactions, and mechanisms leading to the exchange of personnel shall be formed through consultation between the two institutions and expressed in academic agreements.
 - b) Both institutions shall agree to seek financial support for the mutually agreed cooperative activities defined in the above from appropriate agencies of their respective government and other agencies.
 - c) This Agreement will be effective for five (5) years after the date of signing. This Agreement is renewed automatically as long as neither party gives notice of termination to the other.
 - d) The notice of termination of this Agreement needs to be given six (6) months in advance.

3. Confidential Information

Each party shall, at all times during the term of this Agreement and for a period of five (5) years after, keep confidential any confidential information received from the other party. Such confidential information will not be disclosed to any person, other than employees who need to know for the purpose of performing their functions, without the consent of the owner of the confidential information.

4. Return of Confidential Information

Upon termination of this Agreement for any reason, the parties shall return all confidential information to the owner.

5. Cooperative Research and Intellectual Property

Either party to this Agreement may propose to the other specific individual research projects for collaboration. Such proposals may be made at any time and an individual project agreement will be drafted for each research project. The protection and exploitation of any valuable intellectual property arising out of a research project will be addressed in each individual project agreement.
