

MEMORANDUM OF UNDERSTANDING
BETWEEN
FACULTY OF MEDICINE, CHIANG MAI UNIVERSITY, THAILAND
AND
OTEMAE UNIVERSITY, JAPAN

.....

Faculty of Medicine, Chiang Mai University, Thailand, and Otemae University, Japan, conclude this agreement in recognition of mutual benefits arising from the establishment of effective academic relations. The purpose of this agreement is to promote scientific relations through academic collaboration between both institutions.

1. Both institutions agree to promote and develop this academic collaboration by the following means:
 - a. Exchange of staff members, undergraduate and graduate students
 - b. Staff development
 - c. Visiting professorships
 - d. Execution of joint research projects
 - e. Provision of lectures and seminars
 - f. Exchange of data, documents, research materials and academic information
 - g. Other mutually beneficial projects which may be defined from time to time
2. Details of the implementation of any particular exchange resulting from this agreement, may be formulated after first consulting with each other and then developing specific plans for collaboration in any of the ways mentioned above. The details of the exchange of staff members and academic information shall be placed in an addendum.
3. This agreement may be revised or modified within the period of its validity by mutual consent. It may also be terminated within that period by either institution by giving the other institution not less than six months written notice of its intention to terminate it.
4. This agreement will be effective from the date of signing for a period of five years. The agreement will be extended beyond that period after discussion by representatives of both institutions. The discussion can begin anytime before the final six months of the agreement.
